FOR IMMEDIATE RELEASE

Audition for the 25th Annual Connecticut Renaissance Faire

LEBANON, Conn. - The Crown Players, an interactive theatre troupe based in CT, will be holding auditions for the 25th annual CT Renaissance Faire. Auditions will take place on Monday, June 19, 2023 from 3-7pm at the Lebanon Fairgrounds.

The troupe is responsible for bringing the street to life and performing on stages throughout both the CT Ren Faire in the fall and Robin Hood's Medieval Faire in the spring. It can be a great opportunity for performers age 16 and up to showcase their talent, while receiving professional training in various stage arts.

Suzanne Sacks co-director of interactive performance at the CT Faire states, "It is always wonderful to see the areas' talent and welcome them into our performance family. The auditions can be quite enjoyable for all involved. Immersive and interactive theatre has been around for decades but in the last few years seems to have found quite a resurgence."

To audition, please prepare a short (one-minute) comic monologue from an existing play or one that you have written. You may also include a short musical piece (no accompaniment provided). If you have a theatrical headshot and resume send it ahead to auditions@ctfaire.com. For more information and to sign-up please go to the faire website www.ctfaire.com.
